

2016-17 Children's House Sunscreen Authorization

In accordance with Oregon Certified Center Rule 414-330-023, Sunstone needs parental permission to apply sunscreen to children five years old and younger. We supply a high quality SPF50 sunscreen described below. Using a common supply allows us to apply sunscreen to children efficiently in a short period of time. Please sign below to give permission.

Sunstone Montessori School staff members may administer **Banana Boat "Tear-Free, Sting-free" Lotion Sunscreen SPF 50 *** to my child, according to label instructions, prior to sun exposure. Permission is given from August 2016 through August 2017.
