2019 Elementary Summer Camp Registration

Week 1 - June 19-21: Bike Week

We live in a city rich with bike culture. We will learn about the parts and function of our bikes, do bike-inspired art and science projects, and talk about how biking can be a big part of living an earth-friendly life. This week, we will participate in our own bike rides.

Week 2 - June 24-28: Creative Expressions Week

Let the creativity flow! This week we will explore the many areas of our creativity through art, storytelling, and performance! Creative expression provides an avenue for personal growth, character development, and building confidence.

Week 3 - July 1-3: Time Travelers Week

Let's journey through time as we explore a variety of different eras and places! Our exploration will include art projects, games, music, and more from different time periods in history. Only time will tell what new adventures from times past await us this summer!

Week 4 - July 8-12: Animal Adventures Week

Each day we will explore the lives of different animals from all over the world. We may even act like them too! Our animal adventures will include arts and crafts, science explorations, nature walks, outdoor scavenger hunts, and more.

Week 5 - July 15-19: Amazing Race Week

Pack your bags, grab your passport, and let's explore! We will travel around the globe this week as we discover new arts and crafts, games, activities and more from all around the world. We will make specific stops where we will complete different challenges to gather clues that will help us move forward throughout the week.

Week 6 - July 22-26: Nature Keepers Week

We will explore our natural environment and engage in activities in the sciences and arts that reinforce eco-friendly messages such as planting trees, making art with recycled materials, or coming up with new ways to do everyday things that teach sustainability. We will discover the sense of pride in being a nature keeper and being eco-friendly.

Week 7 - July 29-Aug. 2: Olympics Week

Ready? Set...Go! Olympics are a celebration of friendship, unity and peace with fun and games! We will use our skills to play hard and create masterpieces with some fun competition which celebrates friendship, unity and peace. We will kick off the week by creating our own team flags, making our own medals and have an Opening Ceremony celebration. There will be many Olympic inspired activities with a focus on teamwork and cooperation that build up to our own Olympic games.

Week 8 - Aug. 5-9: Fabulous Fibers Week

Using natural materials ground us, connects us to the earth and to other animals. Using our hands ground us too, bringing us to a physical space in a world so full of the abstract. This week we will use our special human hands to explore a wide range of work with fibers including felting, sewing, yarn dyeing, weaving and many things in between.

Week 9 - Aug. 12-15: H2O and Me Week

Water is an essential element of life! We will make a splash exploring the many ways water is part of our lives and the world around us. We will explore rivers, bubbles, rain, moisture, and all kinds of interesting water topics through various hands on activities, games, and water-based art.

2019 Elementary Summer Camp Registration

Elementary Summer Camp Staff

*Zach Bocarsly,
Elementary Summer
Camp Lead*

Zach Bocarsly, a beloved former assistant in the Sunflower Cottage, is coming back to lead the Elementary Summer Camp. Zach is completing his Masters in Elementary Education this spring and is excited to join the Sunstone community once again to lead the summer camp program.

Zach has always had a passion for working with kids. Growing up near Los Angeles, he worked as a camp counselor for a few summers before moving to Oregon for college. There he studied Psychology and Sociology, and fell in love with the natural beauty in Oregon.

Zach loves to travel, and throughout his life, has visited every continent besides Antarctica. He spent a summer working in Alaska in Denali National Park, and loves to go hiking and camping. Zach also spent a term studying in Chile, where he traveled throughout the country teaching English to children. He realized from this experience that he wanted to combine his passions for working with kids and exploring the outdoors.

After graduating from college, Zach moved to Bend, Oregon where he worked as a wilderness therapy instructor, helping facilitate growth in individuals who were facing struggles in their lives. He learned how much he enjoys teaching in fun and creative ways, and wants to continue to share his enthusiasm with others. We are so happy to welcome him back to Sunstone this summer as the Summer Camp lead!

*Carolyn McDonald,
Elementary Summer
Camp Assistant*

Carolyn McDonald will be an Assistant in the Elementary Summer Camp during weeks 1-4. She is currently an Elementary aftercare assistant in the Sitka Studio. Carolyn has worked in a variety of educational and therapeutic settings with children and adolescents, and their families. Her passion is to engage individuals and groups in creative endeavors to achieve these goals. Carolyn is a Master's level Clinician focusing in Art Therapy, with a Master's Degree from Marylhurst University. She also earned a Bachelor's Degree in Elementary Education from Wittenberg University, with a concentration in Multi-Cultural Studies. Carolyn has brought a wealth of joy and creativity to the aftercare program and we are very excited that she will be joining the Elementary summer camp.

*Anika Tobiason,
Elementary Summer
Camp Assistant*

Anika Tobiason will be an Assistant in the Elementary Summer Camp during weeks 5-9. She is currently the assistant in the Lupine Room. Before Anika took her Elementary Montessori training, she worked with children in summer camps, acting classes, and public schools. She attended Pacific University in Forest Grove, Oregon, and received a BA in film/video and photography. Outside of Sunstone, she plays trumpet and keyboard in a rock band, does a wide variety of folk arts and crafts, and makes food experiments. Her latest project was building a house with her partner, Drew. We are delighted to have Anika's creative talents and Montessori Assistant expertise with us this summer.

*Ellie Corser,
Elementary Summer
Camp Assistant*

Ellie Corser will be joining the Sunstone community as an Assistant in the Elementary Summer Camp for the entire program, weeks 1-9. Ellie is from Portland and is a current student at Kenyon College in Ohio. She has worked with children ages 4-12 years as a camp counselor in Portland, at Grace Art Camp. She was also a Unit Leader at Camp Nor'wester in Washington where she guided children ages 8-16 years through outdoor activities, exploration, skill building and education. We are so delighted to welcome Ellie into our community! Her compassionate spirit along with her wealth of camp counselor experience provides a very positive contribution to our Elementary Summer Camp.
